ORDER

The Employer's Request for Review of the Acting Regional Director's Decision and Direction of Election is denied as it raises no substantial issues warranting review.¹

HARRY I. JOHNSON, III, MEMBER

Dated, Washington, D.C., August 25, 2014.

¹ Member Miscimarra would grant review regarding whether the captains are held accountable in various ways for their oversight of operators and inspectors, and therefore whether captains engage in the responsible direction of subordinate employees given the potentially hazardous nature of the Employer's operations and the substantial regulatory requirements, but otherwise he concurs in the decision to deny review.
